The Church

Hosanna! has been making a difference in people's lives for 40 years; those who come to be part of our church family as well as the community we serve. We are located in St. Charles, Illinois, a western Chicago suburb. Hosanna! reflects our community: growing, active and family oriented. We are a service-oriented congregation recognized as "the church that cares". We encourage our members to BELIEVE in Jesus, BELONG to Hosanna! and BECOME all that God wants us to be.

As an active congregation, our weekends include 4 services covering traditional and contemporary styles plus one live Facebook feed. Hosanna! is not just a place for weekend worship. We have many ministries providing daily opportunities to serve our community, strengthen our faith and spread God's Word. While our membership is approximately 1850, we joyfully follow the teaching of Matthew 25:40 and serve many more.

Our building is a reflection of who we are. Besides our worship space, Hosanna! includes classrooms for our licensed preschool and Sunday School, a kitchen and large narthex for fellowship, library and meeting rooms for Bible study and a gym for activities.

Hosanna! is financially strong with an annual budget over \$1.1 million. We have maintained financial stability throughout the current pandemic. Our current location was built in 2007 at a cost of \$6.8 million, but under the financial stewardship of our leadership team we continue to rapidly pay down our mortgage and are down to only \$745,000.

Hosanna! is an active place, accomplishing much for the Lord!
