

MISSION

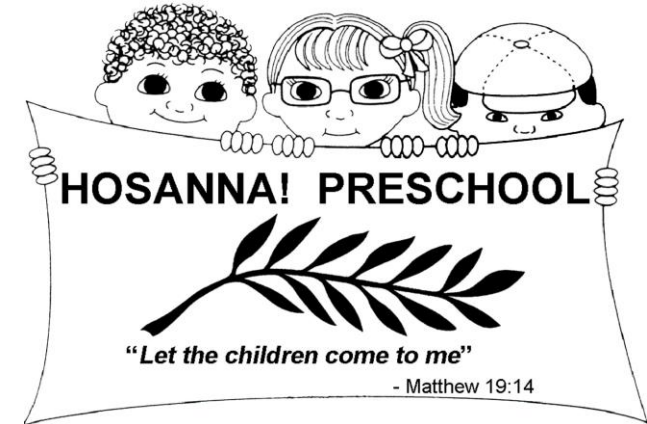

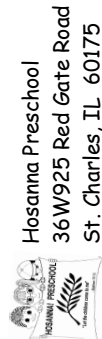

We are a family of God's people joyfully sharing Jesus' love by serving all children. Our preschool provides a quality play-based education for children in a Christian environment. Our program respects each child's individual growth and development while encouraging independence, good citizenship, and family participation.

PHILOSOPHY

Our program is based on a developmental philosophy. Our curriculum is designed to be flexible so that we may provide experiences geared to the ability and readiness of each child.

ANTI-BIAS PHILOSOPHY

Hosanna! Preschool does not participate in practices that discriminate against children and families by denying benefits, giving special advantages, or excluding them from programs or activities based on their race, religion, sex, or national origin.
